## Cascades Club Waiver and Rules

### Responsibilities of the Membership

- Paying all membership fees, prior to using the Clubhouse and waterfront property.
- Taking care of the Clubhouse, waterfront property and Club property.
- Complying with standard safety practices of the Cascades Club.
- Obeying the Cascades Club's parking regulations.
- Taking all measures to control noise levels at the Clubhouse and waterfront property.
- As a condition of the membership, waiving my right to make any claim, whether for negligence or otherwise against the Cascades Club, their sponsors, volunteers and staff. I further agree to release the Cascades Club for any liability from any injury to my person or property resulting from use of Club equipment or facilities.

### Squash Rules

- Squash courts limited to squash members only.
- Non marking shoes only.
- No unsupervised kids on the courts.
- No drinks or food allowed on the courts.
- Spectators in the viewing galley or in the lower corridor need to be mindful of noise levels during squash matches.
- Courts are not to be used as part of the Club rental.

### Waterfront Rules

- The use of the waterfront is for **Cascades Club members only**.
- **Parking** - No parking is allowed down at the waterfront. Safety vehicles for the paddling programs, and vehicles with disabled stickers are exempt
- **No driving down to the waterfront**
- **Noise** - No member is allowed on the docks before 7 am and after 9 pm. Please keep noise to a minimum when in transit to the waterfront and down at the water.
- **Dogs** - No dogs allowed on Club property.
- **Alcohol** – No alcohol is permitted on the waterfront property.
- **Supervision** – Water activities are unsupervised, therefore members use the facilities at their own risk. No children under the age of 14 are allowed to swim unattended by an adult.
- **Garbage** - Do not leave any garbage at the waterfront.
- **Motorboats** - No motor boats are permitted to dock at the club wharf. Safety boats used by the summer camp paddling programs are exempt.
- **Pleasure Kayaks and Canoes** - All unlocked boats are for the use of club members only. They cannot be removed from the waterfront and can only be used for short excursions.
- **Sprint Canoes and Kayaks** - (on the racks between the road and the sheds) are also unlocked but can only be by members in sprint paddling program.
- **Private Boat Storage** – the cost of private boat storage is \$50 for the season. Private boats can be locked up on the rack provided. They need to be removed at the end of the season. The Cascades Club is not responsible for personal equipment at the waterfront.
- **Waterfront Equipment** - Return all equipment after use.
- **Summer Camp** - The Cascades Club runs a summer camp for children ages 6 to 12 from July through to the end of August. For the safety of the camp participants, all club members **are prohibited from using the waterfront between 1 pm- 4 pm, Monday to Friday**. The camp has two lifeguards responsible for a maximum of 20 swimmers at one time. It is far too confusing for the lifeguards if there are other kids mixed in with the camp kids. This creates an unacceptable risk for all of the kids.

*I agree to abide by all the rules and regulations of the Cascades Club and to behave in a manner consistent to Cascades Club policies. I understand that if I do not take all reasonable actions to abide by these rules, it will result in the cancellation of my membership.*
